Dear Andrew

UK Export Licence GBSIE2016/12286 - UKSA Consent for the Release of NovaSAR-S1 Data to Channel Logistics

I refer to the correspondence of 16th September 2019, in which SSTL requested UKSA consent for the release of NovaSAR data to Channel Logistics LLC.

Having considered your request, I am pleased to provide UKSA consent for such a release of NovaSAR data to Channel Logistics, subject to the observation of relevant UK laws.

For clarification the present consent extends to both processed and raw SAR data and includes merged and/or coincident AIS data.

Yours sincerely,
